**Weldon's Practical Needlework Comprising - Knitting, Crochet, Drawn Thread Work, Netting, Knitted Edgings & Shawls, Mountmellick Embroidery. With Full Working Descriptions and Illustrations** May 25 2020 Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

*Knitting, Crochet, and Netting, with Twelve Illustrations* Apr 04 2021 Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The best part is that we include easy to follow directions and each pattern is accompanied by a color picture to show you what your finished product could look like. Be bold and creative and make these patterns your own! Comments From Other Readers“I've made two of the throws from this book and they both turned out great. The instructions were plenty clear enough for me, a barely intermediate knitter. I was able to complete both garments with no help except to look up a couple things in a basic knitting reference book. The instructions at the beginning were a huge help though. Any one of these sweaters or other projects, like the pillows, would make great gifts for the pet owners you know.” - Lois (New Brunswick, Canada) “I was a bit hesitant to buy this as I have a cat. Have you ever tried to put a sweater on a cat? Long story short, with mine it doesn't end well and the cat never wore the sweater. I love that this book has more than just clothing options. She was fearless hunter with the duck and has eagerly (for a cat) claimed the snugly blanket as her new throne to rule the house from. I was happy to find that the patterns were easy to put together and the instructions were straight forward.” - Kelli (Ohio, US) Tags: pets, crafts, pet crafts, knitting, crocheting, dog, cat, toys, knit blanket, knit toys, gifts, crochet, crochet 101, beginners, easy patterns, novice crochet, crocheting, one day crochet, learn to crochet, crochet patterns, afghan projects, crochet stitch gallery, easy to crochet, knitting, crochet for beginners, cross-stitching, needlework, one day crochet afghan, crochet scarf, craft, crocheting for dummies, crochet craft, crochet book

*Mary Thomas's Book of Knitting Patterns* Aug 08 2021 This book contains the fruits of centuries of experience and invention in knitting and is quite possibly the best single manual of knitting patterns ever written. Turning its pages, you will see the patterns grow from simple to more elaborate. You will find this to be the best arrangement for instructional purposes as well as a demonstrations of the orderly and scientific methods on which knitting patterns are based. You will be astonished at the great beauty and variety of these patterns, and you will come to realize the potential of knitting, in practiced hands, as one of the finest of crafts. The author begins with basics, with the distinction between knit and purl sides of the fabric and the use of simple black-and-white charts to present patterns. She then introduces a new motif or design in each chapter. Charts, diagrams, and photographs are used liberally along with the text to illustrate each pattern and steps in the creation of each, with special symbols to indicate critical points, so that you can guard against going astray. The patterns range from cross and cross-over motifs through slip-stitch patterns, eyelet patterns, faggot and lace faggot stitch, bias fabrics, lace knitting, embossed motifs and patterns, medallion knitting, picot point knitting, and filet lace. Concluding chapters are devoted to seamless garments and accessories, modern garments, and ornamental uses of increasing and decreasing. There are lists of French and German knitting terms and an index of textures. Special attention is given throughout to explaining the how and why of each pattern, and the properties of each in terms of horizontal and vertical stretching so that selection of patterns can be made practically as well as aesthetically. The beginner will find this book an excellent guide and instruction manual, and the experienced knitter will find it an almost inexhaustible encyclopedia of patterns, methods, and suggestions.
